Correction: BioMedical Engineering OnLine (2024) 23:73 https://doi.org/10.1186/s12938-024-01266-4

In this article [1], Fig. 4 appeared incorrectly and have now been corrected in the original publication. For completeness and transparency, both correct and incorrect versions are displayed below.

The original article has been corrected.

Incorrect Fig. 4

Fig. 4 HUVEC cell culture subjected to dead and alive staining. Group A is the blank control group, and Group B is the experimental group treated with the extraction
